

## PHOTOGRAPHER AND VIDEOGRAPHER APPROVAL FORM

Photographic and videographic accreditation for the Tasmanian Netball League (TNL) applies to all venues and all regular fixtures, dependant on working space as determined by Netball Tasmania.

No photo or video cameras will be permitted in the TNL venues without the express permission of Netball Tasmania.

No strobe lighting or flash photography is permitted in the TNL venues.

Netball Tasmania authorises media and photographic accreditation at events run under its jurisdiction on the following terms and conditions:

- The camera operator must be positioned behind the corf lute signage at all times.
- No photographer or videographer may enter the field of play.
- Any special photo or video requests are to be directed to the Netball Tasmania Media & Event Manger, who will confirm and arrange access to players, coaches and event officials in a timely manner.
- Photographs or videos should not be used to bring a player/official, the league or sport into disrepute.
- Camera operators will have to respect and abide by any individual's decision to not have their photo taken.
- Copies of photographs and/or videos may be requested and used by Netball Tasmania.
- This photographic and videographic accreditation application and approval is not transferable.

I wish to apply for photography and videography accreditation to cover the Tasmanian Netball League.
