

Management Plan

Resumption of Netball in a Covid-19 Environment

Competition Manager Duties and Checklist

Netball Tasmania is committed to a return to Netball which is safe and compliant with various return to play guidelines.

In order to ensure that Management Plans are implemented as best possible across Netball Competitions state-wide, a Competition Manager role has been established.

Purpose of the Role

- To monitor Competition Netball and ensure that it is operating in line with Netball Tasmania's Covid-19 Management Plans; and
- To be identifiable and accessible during Competition to ensure that participants have someone to raise any health and safety concerns with, as they relate to Netball in a Covid-19 environment.

Occupation of the Role

- Numerous different individuals may perform the role throughout a given day/night of competition.
- Multiple parties may perform the role concurrently, if the Competition Owner determines that the size of the Competition requires it.
- Persons performing the role may also hold other roles during Competition, provided both roles can be performed concurrently in an effective manner. For the avoidance of doubt, the Competition Management position must be prioritised where any conflict may occur.
- Persons performing the role at any given time must wear a high visibility vest labelled with 'Competition Manager'.

Key Knowledge

- Persons performing the role of Competition Manager must have read Netball Tasmania's Covid-19 Management Plans in detail and understand what it required of the Competition, and its participants, to ensure safe and compliant operation of competition.

Authority

- The Competition Manager will be provided authority to make any decision they deem necessary to ensure the health and safety of participants, and the effective implementation of Management Plans. Extreme examples may include but not be limited to;
-

Maintain 1.5m
physical
distancing

Maintain

- In extreme cases only (and it is hoped that all follow the rules and it is not required) the Competition Manager has the authority to remove an individual from a match or venue, following consultation with their club/team, where the maximum attendee numbers have been exceeded or an individual is showing obvious signs of being ill.
- In delegating responsibility to individuals to perform the role of Competition Manager, Competition Owners acknowledge full support of any decision made by the Competition Manager at a given time.
- The Competition Manager is responsible for exercising their best endeavours to ensure the Management Plans are met but may not be held liable for any event arising from Competition.

Key Responsibilities

- The key responsibilities of the Competition Manager are;
 - a) Exercise best endeavours to ensure that Netball Tasmania's Covid-19 Management Plans are being adhered to;
 - b) Ensure that the Competition Manager Checklist is completed prior to every match or series of matches in a timeslot;
 - c) Be identifiable and accessible to individuals during Competition so that they may raise any health and safety concerns they may have;
 - d) Inform the Competition Owners of any concerns relating to adherence to the Management Plans which may relate to the venue, competition format, clubs or participants.
 - e) In extreme cases only, make any decision necessary to ensure the health and safety of participants and adherence to the Management Plans.
