TASMANIA

FROM THE TEAM

Thank you to all RACTI TNL participants and officials for the efforts put forward to hold a successful season despite the challenges of 2020. In looking ahead to 2021, it is exciting to see the competition return to the usual three-block, 21 round roster format. Regional rounds also make a come back this season, with matches to be held in both St Helen's and Deloraine.

Outside of TNL, it's a busy year for netball in the state, with two SSN fixtures to be held in Launceston featuring Collingwood Magpies. Hobart will play host to the National Netball Championships for the countries best 17&u and 19&U talent looking to make their mark in the sport.

Welcome to all of the new members of the competition, and welcome back all returning athletes. We wish everyone the very best for the year.

SEASON PREVIEW

19&UNDER

Our 19/U Team is a new combination of young, talented players showing promise through the Netball Tasmania pathway or their Premiership winning teams at junior ranks of their previous clubs. Along with returning, exciting & experienced defender in Georgia Pyke, this united group have got straight to work on the skills, endurance & strategies required to compete at this level, and will be endeavouring to make their mark in State League this season.

Head Coach, Sonja Fletcher, has been looking forward to seeing this team come to fruition, and will be ably supported by Marsha Batchelor, Current EDS coach, as Assistant. The girls have been put through a rigorous preseason, cementing strong standards & expectations of each other, and as a team, and are looking to transfer these into success on the court.

TOYOTA

Georgia Pyke & Anna Gatehouse will anchor a strong & versatile Defensive end, along with Lily Ransley & Ruby Eastwood, this will be a combination that is sure to trouble many shooting combinations. The speed & excitement of our midcourters in Paige Carr & the calmness of Francis Reid, Hannah Maw & Maya Stubbs will provide good balanced ball to our shooting debutants Holly Thomas, Jessica Weeding & Georgia Rogers who are up to the challenge.

The genuine courage and versatility of the team, together with the continuation of the rolling subs, will mean there will be opportunity for players to have their impact on the outcome of the game and gain valuable match experience.

We are certainly looking forward to hitting the courts in Round 1 and getting our 2021 campaign started.

SEASON PREVIEW

OPEN

2021 AYC TOYOTA ARROWS are looking forward to taking the 2021 season head on. 2020 gave us the opportunity to reset somewhat and really focus on developing opportunities for the younger members of our playing group, also to build connections within the group both on and off the court, as all bar 3 players were new to the Opens group.

This year's focus will be no different, with a main focus on developing connections on court again with quite a new, however experienced playing group. The return of Jamie Philp to our midcourt line-up, will provide another dimension to our already versatile mid court, Charlie Wheller, Felicity George will continue to provide the high intensity and consistency that we have come to expect from these exciting young players.

Zoe Gough, the stalwart of our defensive end, will be joined by both Maddi Hay and

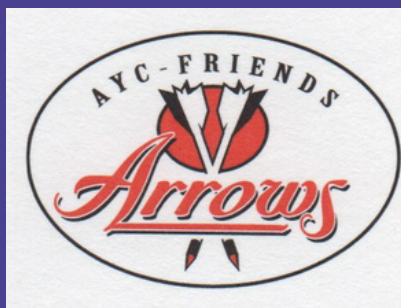

TOYOTA

Maya Gough, providing a mix of both height and agility to our defensive circle, two very welcome additions to our playing group, they will also be complimented by Alanna Cooper, who has demonstrated her adaptability and versatility over recent years.

Our shooters, Sophie Gunn, Hayley Sansom and Clair Jones, will continue to cement their position within the league as a reliable and accurate combination. A fantastic mix of height, fast ball movement and accuracy they will hold us in good stead for the 2021 season.

Head Coach Matt Charlesworth, will be assisted by both Hayley Sansom and Sonja Fletcher in 2021, with all 3 coaches united in their approach 2021 is shaping up to be fantastic year, which will hopefully see Toyota Arrows regain a top 4 spot and the opportunity to play finals in 2021.

SEASON PREVIEW

19&UNDER

After the unusual season 2020 turned out to be, the Cavaliers 19&U team showed that they were the powerhouse of the competition by continuing their winning streak to make it 3 premierships in a row.

There will be a new combination to both the coaching and playing group this season.

Former Cavaliers Open premiership player, 2019 premiership assistant coach and newly appointed State 15&U Head Coach, Katie O'Neill, will be taking on the Head Coach role.

She will be well supported by former State League player and Cavaliers Development Academy 15&U Head Coach Nicole Manshanden. Both are current Netball Tas Elite Development Squad coaches and will bring many years of playing knowledge at elite levels to the table.

Returning to the 19's offensive end are Dani Laughher and Olive Morris. Their experience through the 17&U and 19&U State Programs,

including EDS, will be well supported by rookie Esther Kidmas who is also a member of the EDS group and has transitioned through the CDA programs.

The midcourt dynamic duo of Annabelle Sanders and Hannah Crawford, both involved in 17&U State programs and current members of EDS, will look to hurt opposition defence with their speed and agility. They will be well supported by Ava Lockwood and Rubi Healey, both current members of EDS and have transitioned from CDA programs.

Meanwhile, in our defensive unit, Sally Underhill will return to use her experience and tough body on body defence to lead our new combinations in Ella Griffin and Ellie Marshall who have again, both transitioned from CDA and Marshall is a current member of EDS.

With such a young team this season, O'Neill and Manshanden will be looking for the returning athletes from the 2020 season to show their leadership on and off court and to develop strong connections and combinations to ensure the 19's remain strong in the 2021 season.

SEASON PREVIEW

OPEN

The Opens Cavaliers crave another crack in season 2021. Despite a successful year in 2020 where the Cavaliers made their second grand final appearance in 2 years, the disappointment of not returning home with the cup has renewed the Cavaliers fighting spirit and the desire to go one better!

A combination of youth and experience will be the key to ongoing success in 2021. The loss of Mel Philpott in the goal circle will see young gun shooter Hayley McDougall take over the GS bib on a more permanent basis. McDougall will be keen to add volume to her accuracy from 2020 and will be well supported by the more experienced shooters of Zoe Claridge and Deanna Wadley.

The centre court unit of Shelby Miller and Piper Sanders has been bolstered by the addition of Hannah Lenthall, who is keen

to make the shift out of the defensive circle and cement a regular spot in the mid court and first year player Hayley Older, who is fresh from her third premiership in a row in the 19's.

In the defensive end we see the return of Estelle Margetts and Shannae Heazlewood and newcomer Monique Dufty who joins the squad after a successful year in the 19's. Dufty will add much needed height to the defensive end.

Season 2021 will also see the return of Dannie Carstens to the coaching role. Carstens will co-coach with last year's Head Coach Dan Roden. The preseason has focused on developing the balance between speed and endurance. The game plan of high ball speed and fast transition is a trademark of the Cavaliers brand but with greater emphasis on maintaining possession and improved decision making a different style of play will emerge in 2021.

SEASON PREVIEW

19&UNDER

In 2021, Sophia Cole will return to lead our 19U team as Head Coach and is thrilled to be joined by Assistant Coach Amber Zielinski who brings a wealth of knowledge and experience to our team.

While majority of our team remain unchanged from last year, we are excited to formally welcome Olivia Read (2020 Training Partner) and Mackenzie Banks into our side for 2021. Our 19U team are full of enthusiastic, talented and versatile young athletes who have dedicated their off-season to their individual fitness.

After finishing minor premiers last season, the team have continued to set high standards and building strong relationships with the purpose of setting a solid foundation for a successful season ahead.

OPEN

The Cripps Waratah Open team are looking forward to the 2021 season being a year of growth, consolidation and success. With very little change to last year's line up we welcome the return of both the experienced Kirra Parsons in her dual role as player and Assistant Coach and State Representative Grace Pullen to the team.

OPEN cont.

Kirra will add height and depth to the experienced defensive duo of Alex Vinen and Olivia French and together with impact players Lily Banks and Hannah Navickas are sure to trouble the opposition. All are capable of playing multiple defensive positions.

With no change to the centre court we will be looking forward to watching Sophie Navickas, Ash Probert-Hill and Lillian Wing continue to build connections and use their speed, strength and experience to deliver the ball to our goalers.

Grace Pullen will join Lauren Thornbury and Katia Howell in the goal circle. Thornbury showed what she is capable of in 2020 and together with the speed and accuracy of Howell and the versatility of Pullen they promise to be an exciting combination.

Rosalie Navickas will continue in her role as Head Coach for the 2021 season, ably assisted by Kirra Parsons, Assistant Coach and Chris Webb, Apprentice Coach. The coaching team are committed to getting the best out of this group of talented athletes.

After a final four finish last year the team has worked hard and had a strong pre-season and are looking forward to continuing where they left off.

SEASON PREVIEW

19&UNDER

Motors Coastal Devon's 19 and Under team sees the return of five of last year's players Gemma Collyer, Maddison Dove, Macy Gonion, Makenzie Tyrell and Lana Viney along with Open players from 2020 Grace Close and Eloise Piper, who will provide both leadership and experience.

New inclusions are Tyrah Bacon, Chloe Birtwistle, Olivia Harman and Charlotte Walker along with training partners Makenzie Skidmore and Brea Cunningham.

The team has more options available to the Coach and players will have to work to gain positions on the court. The team had some individual accolades 2020 with the Winner Mady Dove and Runner Up Macy Gonion in the 19s Best and Fairest, however they will be looking to improve their team ranking in 2021.

OPEN

Devon have retained their sponsor from 2020 but will have a new name Motors Coastal Devon. Devon are looking to build on their 2020 performances and provide competition to all teams in both age groups.

The Club is excited to see the inclusion of experienced coach Helen Payne, who will head up the program.

OPEN

Joining Helen will be Lisa Males and Jan McCormack. The coaching panel will work together to build two competitive units. Motors Coastal Devon's Opens team sees the return to the club of Hannah Lee, Chelsea Mawer, Nicole Brown, Leearn McNamara and Hannah Magor. The inclusion of Jamie Easter, former under age State player, who is looking to reignite her playing career after knee surgery will add strength to the goal end and her combination with Hannah and Maddie Lockett will see a more imposing circle.

The centre court of Nicole Brown, Chelsea Mawer, Eliza Jones (formerly of Burnie) along with backup centre court/goals from Hannah Magor and Charlotte O'Neill should see them provide ample opportunities to the goalers. In defence, Makenzie Andersen is returning to studies in Victoria, but we have gained Lucy Vercher from Victoria and her combination with current defender Emily Miles, Leearn McNamara and Makayla Poulter should see them pressure the opposition attack units. This team has greater depth in all parts of the court. They have a good blend of youth and experience and the Coaching staff will have variety of options to work into strong combinations that will test all teams.

SEASON PREVIEW

19&UNDER

Knight Frank Northern Hawks 19U Team has seen a changing of the guard. Seven new members will step into the Hawks nest to give the team a fresh start moving into 2021.

Candice Archer returns to the shooting circle after a year in defence, teaming up with Charlotte Lockwood and shooting debutant Olivia Brown.

Once again, the 19U Team has recruited new midcourt players to work with last years' experienced players Ebony Rainbow and Hannah Carr. Ella McArthur and Lily Humphreys in their first foray into state league, will inject their own style of play to an exciting centre court combination.

Tahlia Randall will bring experience to the defensive unit which includes talented state league newcomers Matilda Allen, Ava Gleeson, and Emily Bowerman.

The Team is keen to hit the court and grow as a strong competitive unit. 2021 is a year for new beginnings, making connections and belief for the 19&U Hawks.

OPEN

The 2021 season sees new challenges ahead for Knight Frank Northern Hawks Open Team. A slightly shortened preseason has inspired and rejuvenated the desire to achieve a higher level of achievement on & off the court.

Building on the success of a Premiership and the behaviours that will take the Open Team to a consecutive premiership is the overarching objective for the Club as a whole. A heightened motivation has seen a significant impact on the progress made over the preseason. HIIT Launceston continues to be a positive catalyst for players strength and conditioning goals.

The line up for 2021 is strong and resilient. Hawks goal circle has Ashlea Mawer, Danni Pickett and Kendall Jones forming a powerful shooting trio. Hawks seasoned mid-court players Stephanie Walker, Jamie Symons and Lydia Coote are joined by Lauren Spencer moving up from the 19Us. These four dynamic players will give Hawks the drive and creativity they need to get the ball to the goal circle. Tessa Coote and Gemma Poke will lead the way with their experience in the defensive circle. Gabbi Groves makes her transition into the Open Team.

With a full compliment of experience and talent the key to the Open Hawks 2021 campaign will be consistency and the ability to step up under fire.

SEASON PREVIEW

19&UNDER

In 2021 St .Lukeshealth Karana 19's are looking forward to an exciting season with a new look, young and enthusiastic group. The team has been working hard throughout the pre-season and already showing strong commitment and unity.

The team has welcomed new players to the club with the inclusion of Mollie-Lee Dwyer and Holly McConnon. Together with returning athletes Kenita Aitken, Talia Atkinson and Mackenzie Stone this gives us a strong base to develop and improve upon.

Reaping the rewards of the Netball Tasmania programs we have the exciting players of Madi Lamb, Mackenzie Ford, Jordyn Banks and Kendylle Byers. Their inclusion gives us strength and youth through the mid court.

Katelyn Butler returns from a year off and is raring and ready to take that next step to State League.

Life Member and Club stalwart Tanya Backhouse, steps into the role of 19s head coach. She will be assisted by Abby Singles. Together we are looking forward to giving the girls the opportunity to build their netball skills and knowledge and to achieve their goals as a team and personally.

StLukesHealth Karana Flames playing group are excited about the season ahead and looking forward to whatever challenges 2021 may bring.

OPENS

St.Lukeshealth Karana continue to develop athletes who are not only driven to achieve at their chosen sport but are also high Academic Achievers, with a large turnover of Athletes again in 2021 due to University and career choices.

St.LukesHealth Karana Opens are looking forward to the season and hope to continue building from our 2020 year. The team have been working hard with strong commitment and determination and are ready to take on the challenges that await. The team retains, Felicia Di Carlo, Mackenzie Queen and Grace Walker and with inclusion of Megan Steel in the mid court, provide combinations of composure, strength, speed and agility.

The defensive team will provide pressure and will be working hard to create errors and provide turn overs. Our flexibility in goals creating combinations and opportunities are looking to gain consistent accuracy.

We welcome to the Coaching role Karen Leonard, who will be assisted by Nicole Terry and a rotation of specialist and apprentice coaches.

With a combination of youth and speed we are determined to reach our goals and be competitive. We will continue to build strong combinations, and work hard in every game.

SEASON PREVIEW

19&UNDER

Kingston Blues 19U team is looking forward to an exciting year of growth and success on court. Our 2021 team features three returning players and an exciting and talented group of players joining our team. As a club we are looking forward to seeing many of our junior players taking the next step in their netball journey and making their debut in our 19s team.

Our returning players including Amelia McMahon, Bellah Parker and Jo Thompson will bring enthusiasm and experience to our line up. Stepping up to their first year of State League netball are Keely Brereton, Hannah Brereton, Abbey Glover, Abbie Jones, Charlotte Doyle and Sophie Cassidy. We welcome to our club Anita Eberstein who will add experience to our attack end.

This group have shown determination and a willingness to push themselves throughout preseason. They are working hard to build up their skills and fitness and are forming a strong bond as a group. Aiming to make strong improvements from our 2020 season, this group are a young and talented team and show great potential to have an impact on court. We are looking forward to hitting the court in round 1.

OPENS

Kingston Blues Open 2021 sees a mix of returning and new players combine for another exciting and dynamic Blues Opens side.

The Blues Opens welcome back returning players Gemma Polley and Jess Earney who will continue to build their combination in the shooting circle, Lucy Street and Lucy Bosker in the centre court and Emma Johns in defence.

They are joined this year by a range of new and returning players. We welcome to Blues Zanna Jodlowska and Maddie Berry. Brielle Gordon steps up from the Club's 2020 19's side and Hannah Steinhauser returns after a year away. It is exciting to see the mix of experience, commitment, strength and height these players bring across all areas of the court.

With preseason underway coaches Erin Baker and Shane Fish are impressed with the group's intensity, the standard they are setting and the team bond they are creating. Aiming to go further into finals this year, the team is training hard and keen to hit the court in Round 1.
