2022

WELCOME

RACT INSURANCE

We are proud to continue to support the Netball Tasmania State League for the upcoming 2022 season.

Netball is the longest running State league of any sport in Tasmania and is one of our most popular women's sports, bringing together our community in a competitive and engaging way.

As Tasmania's leading and 100% locally owned and located insurance business, we know first-hand how sport can unite our communities.

We are looking forward to a big 2022 season, where we can all watch and enjoy our state's finest battle it out again this year.

On behalf of everyone at RACT, I would like to wish the players and everyone involved the best of luck for the 2022 RACT Insurance League Tournament.

Mark Mugnaioni, Group CEO

[MORE INFO](#)

2022

NETBALL TASMANIA

Thank you to all RACTI TNL participants and officials for the efforts put forward to hold a successful, largely unimpacted by covid season in 2021, which saw Devon (19&U) and Cavaliers (Open) prevail after 18 games and a three-week finals series.

Outside of TNL, it's a busy year for netball in the state, with Hobart playing host to the National Netball Championships in April for the countries best 17&U and 19&U talent looking to make their mark in the sport. Two SSN fixtures will be held in Hobart and Launceston in May featuring Collingwood Magpies at their Tasmanian home, against Firebirds and Giants respectively.

Welcome to all of the new members of the competition, and welcome back all returning athletes and officials. We wish everyone the very best for the year.

NETBALL TASMANIA

SPECIALTY ROUNDS

Netball Tasmania is proud to promote, support and raise awareness for various organisations and causes. The 2022 Season will see four specialty round held at TNL level.

SAAM

Sexual
Assault
Support
Service®

Round 4 | Friday 1st April

To kick off Sexual Assault Awareness Month, TNL turns teal to show support for victims of sexual assault.

INDIGENOUS

Round 8 | Saturday 7th May

Netball Tasmania is committed to promoting greater awareness of and learning about our shared histories, cultures and achievements.

PRIDE

Round 13 & 14 | Saturday 4th and Sunday 5th June

2022 marks the inaugural Pride Round, and is designed to celebrate diversity and inclusion within the game and the community.

STAY CHATTY

Round 19 | Friday 8th and Saturday 9th July

Held annually to promote the importance of positive mental health in sport, TNL turns red and blue. Kingston and Karana play off for the Stay Chatty Shield.

SEASON PREVIEW

Arrows Open will be looking to get off to a strong start to their 2022 campaign. Our greater depth for all positions throughout the court will provide ample variations to contest all opponents. We have the right balance of talented youth & outstanding experience giving us our strongest chance in recent years to hold up the Cup at season end.

The big out of the season of Hayley Sansom due to her exciting pregnancy announcement, will be ably covered by our two new outstanding recruits Dani Laugher & Jess Earney.

The Gough name will be responsible for many a headache for the opposition shooters this year with the fearless AJ returning to the fold alongside eternal high level competitor Zoe Gough. Together with quick and versatile defender Maya Gough and Alanna Cooper a fantastic athlete that contributes until match end, our defensive unit is committed to starving our opponents of ball possession this year.

The mid court sees Isabelle Burden make her break into the seniors. Jordi Smith takes the step up from 19's and is looking to cement herself in the midcourt. We are super excited to have Kate Marr re-join the playing group. Kate has not missed a beat and her endurance, fitness and flair will see her hustle and gain vital ball for us again this season.

We are spoilt for choice with our Goalie group. Lead by the ever-positive athlete Sophie Gunn, the determination of this tight group has been evident in the off season while they worked tirelessly on their shooting range, accuracy, and fitness. The quality and creativity of Dani Laugher and the strength and power of Jess Earney alongside the finesse and finish of Clair Jones together with the poise and % of Sophie Gunn this group is sure to provide a dynamic shooting display.

Sonja Fletcher will be embracing all that comes with her new role as Head Coach and this season will enjoy the support of Assistant Coaches Hayley Sansom and Kate Prins who will no doubt be hungry for success.

Arrows 19 & under selections were held early November with 10 players selected. We have seven players returning from season 2021 and we welcome 3 new players to our team. Emily Klaffer and Tahlia Williams both AYC junior player and Laura Scott from Palena 17's. The team had three pre season trainings with our Open team before Christmas and all players enjoyed working out together.

As part of our pre season training all players were sent a weekly fitness home program and each exercise/activity each had a certain amount of points you could earn for completing each exercise, Points are tallied and it kept all players accountable and supportive of team mates. It has also encouraged good leadership qualities.

The team has been training hard since we started back after Christmas. Our early sessions were fitness focused with footwork and passing when fatigued as the focal point. Over the last few weeks our focus points have been first ball contest, dictating play and denying the attacker space. Clair and I have now started to work on area specific and the understanding of how to play their position and what will be our focus throughout the season.

Over the coming weeks we will start to work more on our game style and match play will be valuable. With the experience of last year's players and our three new players I am very much looking forward to seeing what this season may offer.

SEASON PREVIEW

The F45 Cavaliers finished their 2021 season with a grand final win. After a successful season with only three losses against cross town rivals, HIIT Launceston Hawks, the group were rewarded for their hard work and commitment with the ultimate prize.

The Cavs 2021 season focused on building capacity, constant improvement, a team first attitude and straight up hard work. 2022 will follow similar lines with a tough preseason already under the belt and players hungry for more success.

Leading the charge this year are coaches Dan Roden and Katie O'Neill. The new coaching combination will continue to challenge the group with a strong focus on fitness and fundamentals.

The core playing group from 2021 remains relatively unchanged with the most noticeable loss of goal attack and former ANL player Zoe Claridge to retirement. Entering the goal circle in the GA bib will be Deanna Wadley, who re-joins the squad on a full-time basis, and Claire Oakley, a current player for Melbourne Uni in Victoria. Both will be looking to make their mark alongside shooting sensation Hayley McDougall, who had stellar year under the post in 2021.

Dana Lester also returns to the squad after missing a year through injury. Dana was in career best form in the GD bib in 2020 and the Cavs are excited to have her back on board for season 2022.

The Cavs 19&U were extremely unlucky to miss out on the grand final in 2021 after being beaten by Kingston in the preliminary final. With such a young team the future would be looking bright and after disappointment from the prelim loss, they left the season feeling unfinished and hungry- enter season 2022.

This year new co-coaches, Lynda Colgrave and Dannie Carstens will lead the side after some excellent foundations built by Katie O'Neill (now Opens assistant) and Nicole Manshanden (relocated to QLD). The experienced Carmel McGee will be joining the team as 19's manager.

Annabelle Sanders will be the most experienced athlete (centre court) back for season 2022, her experience will be vital to lead such a young and talented side. Ellie Marshall (defensive mid), Ava Lockwood (attacking mid), Hannah Crawford (attacking mid) have all had a season together and they are certainly looking forward to going one better as a mid-court group this year. Olive Morris (state representative) will be leading the goal circle with her experience alongside Cavaliers Development Academy elevated athletes in Paige O'Neill and Sophie Brewer.

Candice Archer moves across from Northern Hawks to join Matilda Lenthall (who has spent the last 18 months recovering from knee injuries) in the defensive circle. Eunice Kidmas will round out the defensive end, she has proven in season 2021 that she is one to watch! Sister Esther Kidmas will be working hard on her ACL rehab as a training partner.

Team In's - Matilda Lenthall, Sophie Brewer, Paige O'Neill, Candice Archer
Team Outs - Dani Laugher, Ella Griffin, Rubi Healey, Sally Underhill, Erin Quillerat

MOOD FOOD

THE ULTIMATE TASMANIAN ROADHOUSE.

We have a passion for great quality products; from our trained baristas and the magic they weave with locally roasted coffee beans from TasCaffe, to our gourmet sandwich flavour combinations, and even our range of premium fuels, we promote quality throughout the Mood Food brand.

These quality products, along with our extensive menu, family friendly stores, free Wi-Fi, and spotless facilities make Mood Food the ultimate Tasmanian Roadhouse.

We are building a network of locations throughout Tasmania with a focus on energy – providing the energy sources and services to keep Tasmanian locals and explorers moving throughout their travels around our beautiful island state. We are so excited to launch new sites under the Mood Food brand to give customers an assurance of the exceptional service and quality products they have come to expect from Mood Food.

SEASON PREVIEW

**CRIPPS
WARATAH**
NETBALL CLUB INC.

Cripps Waratah Open TNL team has seen some change for 2022 as we strive to take the next step and reach the Grand Final for the first time since 2014.

Hannah Vinen has been promoted from the 19&U program and provides depth and the versatility from C back to GK. Jamie Symons has joined the team following her return to Hobart, bringing valuable premiership experience to the program. The team will also be looking for strong contributions off the bench from a talented and experienced 19&U team, to ensure depth and the capacity for fit for purpose line-ups. Aaron Pidgeon returns to coach the team after a lengthy hiatus, and Kirra Parsons will again assist.

The back end remains strong and experienced with Alex Vinen, Hannah Navickas and Liv French, and will hopefully provide headaches for opposing attacking line-ups. Ash Probert-Hill and Sophie Navickas will be looking to take their on-court partnership to the next level providing plenty of supply to the goalers, and benefiting from the attack from the back end of the midcourt driven by Hannah Vinen and Jamie Symons. Grace Pullen and Katia Howell will be given the green light in goals and will look to generate extra volume through greater supply and the experience of a few years at Open level under their belt.

The Open team has been successful for many years but must now find a way to take a still young, but now experienced, group to the next level and secure a Premiership. The individual talent is clear, and we must now find a way to turn that individual talent into a consistently elite standard of team performance. The Open competition in 2022 is shaping as a competitive one, and the Cripps Waratah team will be looking to roll out a new brand of netball as we try to find a point of difference which can take us to the next level.

After a break coaching in the Cripps junior ranks, Fi Geappen will return to coach at State league level taking on the Cripps 19s in 2022, alongside Assistant Amber Zielinski.

The Cripps 19s are a strong, skilful & determined group who have narrowly lost the Grand Final the last 2 season, & with 6 players returning from this team, they will be hungry to taste some team success in 2022.

Returning goalies Ash Turner & Sophie Pidgeon have a fantastic understanding in the circle & in combination with dynamic mid court Olivia Read they will continue to provide headaches for any defensive line.

Chanelle Byers will again be a strong driving force in the middle & Ella Marsh will continue to provide great leadership & control with her excellent decision making. Alexia Smith brings the x-factor to the defence end with her athleticism & ability to impact the game when needed.

In addition, three former Cripps junior players are returning to the Club in Georgia Pyke, Maddi Hay, & Amelia McMahon. All three of these players will bring experience & a level of control into the Cripps mid & back end. Bellah Parker is also a new addition to the team for this season & her power & athleticism will add a different dynamic to the front end.

The versatility within this group of players really does present their coaches with a number of strong line-up options which is an exciting prospect for our Club this season & for the future.

SEASON PREVIEW

Devon Opens are hoping to build on their 2021 5th ladder placing, with a move into finals contention in 2022.

Moreover, they will be hoping to emulate the success of the U19s Devon Champions with the assistance of three players elevated into the Opens from that winning team: including the U19 TNL MVP, and U19 TNL Grandfinal MVP, Macy Goninon and Grace Close respectively rounded out with the smart defensive play of U19's Champions team member Eloise Piper.

As well as these three elevated players Devon has recruited some new faces in 2022: recruits Makenzie Andersen - an experienced defender, and Jane Astbury and Phoebe Gilham-Dawes - who each bring speed and strength to Devon's mid court. The five remaining players continue their great form from 2021 - Emily Miles, Nicole Brown and Jamie Easter with Lucy Vercher and Hannah Lee bringing their experience to bear as co-captains once more in 2022.

Helen Payne will be coaching the Opens team this year, and has high hopes for her team.

After a successful 2021 season where Devon 19s secured the premiership, they are looking to go back-to-back in season 2022.

There is a new combination to the coaching and playing group this season including 2021 Devon Opens Best & Fairest and 2020 19s Premiership Head Coach, Jamie Easter, taking on the 19s Head Coach role. She will be supported by new-comer Samantha McFadyen as the Assistant Coach for 2022.

Returning to the 19s playing group are goalies Tyrah Bacon and Mady Dove. Their experience through the 19s program will be well supported by rookie Eden Taylor who has transitioned into the side through the Burnie association pathway.

The midcourt will see the combination of Olivia Harman, Makenzie Tyrrell, Chloe Birtwistle, Elise Popowski and Felicity Elmer. Chloe, Elise & Felicity look to put their best foot forward after a strong pre-season, while Olivia and Makenzie will continue to tear teams apart with their speed and agility.

Our premiership winning defensive pair in Gemma Collyer and Charlotte Walker both return to the side, with the strong addition of Ellie Roberts to the unit. The experience of this defensive outfit will take the whole team to a new level in 2022.

SEASON PREVIEW

Hawks Opens have set themselves up for one of their best preseasons to date, with HIIT Launceston supporting the athletes with their fitness goals. Hawks Opens uncompromising style of play will see them create a resilient attack and continue to produce turnovers in defence with their strength throughout the court.

Ashlea Mawer has been one of the key players in Hawks attack, offering a mobile target that is hard to stop and will be part of an incredibly talented shooting line up. Kendall Jones has stepped up as an Open player and has proved she can hold her own under pressure situations. Danni Pickett is ready for the season ahead and will make a welcomed return to the court. Courtney Treloar has regained her momentum as a quality state league shooter and will be well prepared for 2022 season.

Steph Walker will once again light up the midcourt with patience and control, Lydia Coote will be preparing to have another solid season as a consistent defensive player through the middle. Preseason saw some key player movements with Hawks recruiting Lynette Childs to take on a centre court role in the Opens. Lynette has made the move from QLD after playing with Carina Tigers in the Sapphire League and has made the transition to Hawks with ease. The Opens have several options to swing into the midcourt which gives them the depth and flexibility to counteract opposition plays and deliver the ball in attack.

Hawks Open defence outfit has been bolstered with new recruit Monique Dufty joining the highly successful defensive unit. Gemma Poke, Issy Maskell and Tessa Coote return and will provide a robust backbone to the Opens defensive game. With an abundance of experience and proficiency in the backline there will be a lot to get excited about when the Hawks are out on court.

The Hawks Open line up is loaded with strong, resilient, committed, and extraordinary group of athletes, they play with heart and lead from the front. However the 2022 season pans out, it is going to be a big one for the HIIT Launceston Hawks.

SEASON PREVIEW

HIIT Launceston Hawks are looking forward to taking part in the 2022 TNL season! With another year of uncertainty ahead, HIIT Launceston Hawks are grateful for the opportunity to compete at the highest level in Tasmania. With the need in the current DTE to be flexible with planning and organisation, Hawks are ready to take on the challenge of navigating their way to another final series this year.

Hawks 19U Team is brimming with young talent who have been stepping up over preseason and making significant inroads with their overall fitness. Their enthusiasm has given them the motivation to immerse themselves fully into the training program and are eager to improve at every opportunity.

Hawks 19U defenders Matilda Allen and Ava Gleeson return to take up their posts in the circle. After proving they can take a ball and apply pressure in the circle, this year they will have an opportunity to consolidate their foundation and build a strong, resilient defence unit. New recruit Lily Case will add another layer of pressure and commitment to the contest that will enhance Hawks 19U defensive circle's energy and efficiency.

Hawks 19U midcourt will be one to watch with returning players Ella McArthur, Hannah Carr, Lily Humphreys, and Emily Bowerman forming the basis of a dynamic and creative attack. Rubi Healey joins this group adding a high level of defensive power to the mix. Meg Felmingham an East Coast original, will round out a solid fusion of speed and skill in the young Hawks engine room.

Two of Hawks 19U debutants Tunisha Kikoak and Mollie Poulton will take up their positions in goals and are keen to have their first taste of state league netball competition. Joining them will be Sophie Blackberry, who will add some experience after some court time in 2021. This newly formed shooting combination will continue to develop over the season with all three shooters bringing their own style and flair to the business end of the court. Hawks 19U will be eager to continue to build trust amongst the group and become a close, cohesive team as the season progresses.

SEASON PREVIEW

Karana Flames Opens sees an entirely new team hit the court in 2022 and we have been working hard on building a positive culture on and off the court.

Emma Clark is joined by Jess Byers in goals with the duo building an exciting combination with Emma's strength complemented beautifully by Jess's speed.

Asha Ratcliffe's calm yet determined approach to the centre court is wonderfully balanced by Holly McConnon and Courtney Walker's athleticism, flair and ability to hit the circle.

And our defensive duo of Abby Hibberd and Chloe Flanagan are continuing to find creative ways to turn the ball over.

We've been excited with the team's ability to improve every time they step on the court and have been impressed with the player's encouraging attitudes towards their training and team mates.

The team is full of athletes playing their first year in Opens, but our enthusiasm and resolve should see us go from strength to strength; and we are looking forward to developing our own style of consistent and positive netball throughout the season.

Karana Flames Under 19s have recruited an exciting group of newcomers to compliment beautifully the core group of players they've retained from last season.

The calm and collected Jordyn Banks is joined by first year State League players Cara Fitzgerald and Drew Dennis in goals, with Cara's height and Drew's amazing front cuts complementing the no fuss Jordy in the circle.

Jess Scott returns to the club in the centre court with her hardworking, unassuming approach balancing out beautifully Madi Lamb's athleticism and tenacity, Kendylle Byers doggedness and Kenita Aitkens' defensive pressure.

Mackenzie Stone's determined approach in defence proved a challenge for many a goalie last season and with Jess Owen's continued improvements rewarded with a call up to State League the duo's height will be hard to shoot over; and with Mackenzie Banks joining twin sister Jordy at the club her ability to direct traffic and read the play makes the trio a formidable defensive combination.

Rounding out the squad is Renee Eiszele providing amazing leadership all over the court whether it be shooting the lights out, her impeccable timing or precision passing, her experience will be invaluable.

We've been super impressed with how well the players have come together as a group and really built an amazingly strong culture already. Their improvements in such a short period are fantastic and the possibilities for the season are endless. Bring on an exciting and rewarding 2022 – Go Flames!

SEASON PREVIEW

The Kingston Blues Opens are ready for an exciting season in 2022. Coming off the back of a challenging 2021 has renewed the Opens determination and the desire to be back hunting for a finals spot!

A mix of returning and new players will combine for a year of growth and success. The Blues goal circle will see a new combination emerge with Gemma Polley, Kate Tomkinson and Lucy Bosker forming a dynamic shooting trio.

Blues mid court welcomes Tess Cooper to the Opens team. Working alongside returning players Lucy Street, Brielle Gordon and Zanna Jodlowska these four experienced players will be looking to use their strength and creativity to hit the circle and deliver the ball to our goalies.

In the defensive end we see the return of Emma Johns and Hannah Steinhauser who will once again combine with Zanna to pressure opposition's attack into the circle. With preseason well underway returning coaches Erin Baker and Shane Fish are impressed with the group's intensity and effort.

Focussed on developing our speed, strength and endurance our Blues squad has welcomed the support again of Hermione at The Health Oasis. Shifting now to an emphasis on converting possession and relentless pressure on court, the Blues Opens are preparing for a strong and successful 2022.

Kingston Blues 19U team is looking forward to an exciting year. Our 2022 team is being led this season by new coaches Caroline Direen and Alicia Leis. Both coaches are looking forward to taking on the challenge of coaching this young, talented group and being on this netball journey with them.

As a club we are looking forward to seeing our returning players, Jo Thompson, Anita Eberstein, Abbey Glover, Sophie Cassidy, Charlotte Doyle, Hannah Brereton and Keely Brereton and they will be joined by Caitlin Adler and Yvette Ambrose who have been elevated from our training partner pool of 2021 and the team is rounded out with Maddie Tabor who will be making her State League debut.

This group have been working exceptionally hard through preseason on their skills and fitness, and they are building strong relationships both on and off the court. With all players aiming to hit new heights this year, the team are ready to hit the court running in Round 1.
