Season Preview – 19&U

Cavaliers 19&U team will certainly be hoping to pick up where they left off last season. The six returning players will be looking to settle themselves and the five new team members into the season as quickly as possible. The team will be coached by Lynda Colgrave, who will be ably assisted by Hayley Bowen, who has successfully made her way through the Cavaliers coaching pathway. Rounding out the coaching team will be southern specialist coach Sophia Cole, who will continue the great work she started in 2023. After joining the 19&U team mid-season last year, there is excitement amongst the group that Elizabeth Hawley will continue her role as manager.

Returning players Sophie Brewer and Sophie Blackberry will be joined in the shooting circle by past Cavaliers CDA athlete Mia Green. With all three goalies in the state pathway program, this shooting group has the makings of formidable unit. Ella McArthur, also a previous CDA athlete, will join the midcourt unit of Ava Jones, Lucy McArthur, and Asha Lowe. Whilst only in their second year of state league netball, the three returning mid courters gained invaluable experience last season and will be strengthened by the inclusion of experienced state league athlete Ella. Returning player Molly Green will be joined by past CDA athletes Hallie Schuurig, Grace Foley, and Grace Ebbelaar in the defensive circle. This defensive unit is young, dynamic and no doubt will be exciting to watch.

This Cavs 19&U team have the potential to develop greatly throughout the season. They will be looking to build on connections established during pre-season, settle themselves into the 2024 roster quickly and then continue to build into the business end of the season.

Team Ins: Grace Ebbelaar, Grace Foley, Mia Green, Ella McArthur, Hallie Schuurig

Team Outs: Matilda Allen, Hannah Crawford, Ava Lockwood, Paige O'Neill

Season Preview – OPEN

The F45 Cavaliers are up and about leading into their 2024 season with a different approach to pre-season preparation. Always looking for new ways to improve, 2023 was, in anyone's terms, very successful with the development of our young guns combined with experience, which took us to a Grand Final berth. Having fallen short of the win both coaches and athletes have "unfinished business"!

The 2024 team sees the retention of our experience both on and off the court in Shelby Miller, Hayley McDougall, Keely Atkinson, Shannae Heazlewood, and Deanna Wadley (subject to fitness returning from injury). Zoe Claridge's much welcome return will certainly add to this experience in attack along with 19s State athlete Olivia Harman. Succession plans and focusing on the future is one of Cavaliers strengths, therefore we round out the team with some new faces from our under 19's program in Matilda Allen and Paige O'Neill who we are sure will keep the goalies honest with their dynamic defensive style. We welcome youngster Lily Case who will be a great addition also in the defensive circle.

There are big shoes to fill after losing Estelle Margetts, Dana Lester, Georgia Rolls (retired) and Ava Lockwood, Esther Kidmas, Eunice Kidmas and Olive Morris (relocation for university), from our 2023 campaign. With a blend of youth and experience F45 Cavaliers are quietly confident that they can improve on 2023's result and look forward to an exciting, enjoyable, and successful 2024. The future looks bright!

Team Ins: Matilda Allen, Lily Case, Zoe Claridge, Olivia Harman, Paige O'Neill

Team Outs: Esther Kidmas, Eunice Kidmas, Dana Lester, Estelle Margetts, Olive Morris, Georgia Rolls

CRIPPS WARATAH 19&U

Season Preview – 19&U

The Cripps Waratah's 19U Team will be hoping for another consistent year after our young squad managed a Grand Final spot in 2023.

We have retained 8 players from our 2023 squad - Matilda Franklin & Daisy Bennett in goals, Abbey Geappen, Mia Anderson, Natasha Furjanic & Maya Armstrong through the mid court, & Lucy Booth & Bella Zielinski in defence. These girls will now be better prepared for the challenges presented at TNL level with a year's experience under their belt, & we look forward to seeing their improvement across this season.

Talented junior Matilda Kaye has returned to Cripps and her creative style & versatility to play in & out of the circle will provide the team with plenty of strong options in attack. State 15U goalie Alice Bowering also joins the team & her strength & presence on court in a variety of positions will be invaluable. State 15U Captain Alet Le Grange has also stepped up to TNL & she is sure to provide great drive & speed transitioning out of defence.

We again have several players playing more than one elite level sport so finding the balance for these players & our team will be vital.

The group have been working hard this off season both on court & in the gym. They are a driven & determined group with a strong bond & great belief in each other off the court, which we hope to see transition to on court success this season.

Team Ins: Matilda Kaye, Alice Bowering, Alet Le Grange

Team Outs: Jess Weeding, Bellah Parker, Jess Owen, Caitlin Turner

OPEN

CRIPPS WARATAH OPEN

Season Preview – OPEN

Cripps Waratah TNL Opens will be hoping for a little more consistency and good health, after a challenging 2023 campaign on and off the court.

2024 will see some new faces in the Cripps Waratah lineup, with young guns Bellah Parker and Jess Owen moving up from our 19U team.

The team will be hoping to again climb the ladder after falling to third last Season, on the back of a Grand Final appearance in 2022. Jess Owen's inclusion in the defensive end will provide great versatility and support for Alex Vinen and Hannah Navickas, and also allow Vinen to play more time at GD. Hannah Vinen will spend more time in the midcourt group again, after playing much of 2023 in defence, whilst experienced mid-courts Sophie Navickas and Ash Probert-Hill will be looking for big seasons and to form a speedy combination with Olivia Read who had a strong debut season last year. After having a year to settle into the Club, Soph Gunn will be looking to capitalise on her chemistry with Katia Howell and another step forward from Sophie Pidgeon who will also spend time at GA. The inclusion of youngster Bellah Parker who will bring some extra hustle to the goal end, and depth in the mid-court where needed.

The group has been working hard off the court during the off-season, and competition for spots will be wide open, and fierce, as they fight for limited opportunities in a very short season.

Team Ins: Bellah Parker, Jess Owen

Team Outs: Sophie Gunn, Georgia Pyke, Ash Turner, Chanelle Byers

Season Preview – 19&U

Devon 19s welcome back 7 players from our 2023 team and are excited to introduce 3 debutants to the TNL competition. Whilst our team consists predominately of talented young players aged between 15 – 17 years the experience of 2023 season will set this team up for success.

Milana Harnett will lead the defensive end after an exceptional season in 2023 with strong support from established players Zoey Darby and Mackenzie Towns who have proven themselves at this level with their height and swiftness in the circle.

The shooting circle has height, strength and speed as Hannah Coleman, Lily Padman and Ava Palmer return to the team in 2024 and consolidate their circle combinations and accuracy.

The centre court is where Devon 19s will showcase their new line up. Lottee Rolls' dynamic skill and abilities will be demonstrated alongside Harriet Close, Georgie McGregor and Asha Mannie who will be testing the competition with their agility, creativity and defensive skills as new players to the TNL.

With a terrific training ethic, a love of the game and strong relationships the Devon 19s are excited to bring their best in 2024.

Team Ins: Harriet Close, Asha Mannie, Georgie McGregor

Team Outs: Bek Filleul, Ella Harnett, Layne Dixon, Eden Taylor, Zahra Overton

Season Preview – OPEN

Season 2024 for the Devon TNL Opens team sees the majority of Devon's open 2023 team returning to play in Tasmania's top netball competition. We are also proud to be able to recognise some more of our local talent and promote three players from the u19 competition.

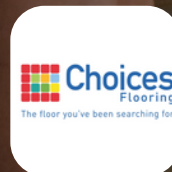

Both Ella Harnett and Bek Filleul contributed strongly to Devon's u19 2023 season and deserve their promotion to the opens team. Joining them is Erin Quillerat - an up-and-coming shooter who will be representing Devon for the first time this year. All three have already shown their potential during trainings and will be sure to turn some heads on court.

Grace Close and Tyrah Bacon will no doubt be scoring plenty of goals this year having already proven their ability to do so over previous seasons. The mid-court and defensive end sees Chelsea Hancock, Cara Watkins, Gemma Collyer, Charlotte Walker and Makenzie Andersen return to once again provide a formidable defensive and attacking force on court.

Devon Opens are looking to keep improving in 2024 with a fit, athletic team with huge potential - where nothing is off the table. Returning Opens' Coaches are Helen Payne and Narelle Mitchell.

KARANA FLAMES 19&U

Season Preview – 19&U

Our Karana Under 19s are locked and loaded this season with an exciting mix of returning and new players. Madi Lamb and Mackenzie Stone lead our returning players in their last season for 19's giving the group lots of experience and leadership on and off the court.

Our goal circle is where the exciting new talent starts with Erin Mullarvey joining the club. Erin's ability to play as a holding or moving shooter will be complemented by the ever reliable Rohini Sharma who's slick skills allow her to switch seamlessly from goals to Wing Attack. The circle is rounded out beautifully with Aimee Bean with her accuracy in goals and her amazing defensive skills again on display.

Madi will again lead the centre court with her tenacity, determination and athleticism along with the return of Lily Carpenter who brings an amazing x-factor to every position she plays. Madi and Lily are joined by Ava Loring whose composure and netball brain is far beyond her years and she will no doubt provide a settling presence for the team.

Mackenzie Stone will again lead the young and exciting defensive end and she is rejoined by the up and coming Sienna Nowland who will no doubt improve even more from last season. Ava Hughes has joined the club providing us a difference in the defence end with her fantastic one on one defensive abilities and Caitlin Stevanovich who has come through the Karana junior ranks and her amazing closing speed and ability to read the play providing a great balance in mix in defence. The girls have put in an awesome pre-season and are forming nicely as a unit. Sharni and I are excited to see what we can bring to the court for season 2024.

KARANA FLAMES OPEN

Season Preview – OPEN

Karana Opens team is excited to see the return of six of our players from last season and the recruitment of three exciting young players.

The team is hoping to build on the positive improvements from last year and will be striving for consistency and composure to help make this happen.

The defensive circle sees the return to state league of young Mackenzie Banks whose athleticism and ability to read the play makes her an exciting circle defender. Chelsea Browning joins the team with her ability to shut down opponents with her tight one and one defence an asset. The return of Samantha McKinlay and her ability to close the space along with her deceptively long arms will compliment Chelsea and Mackenzie beautifully providing an exciting dynamic in the circle.

Asha Ratcliffe is the ever reliable engine room of the centre court with her unassuming ability to inspire her team whether it be by chasing down a ball no one thought possible or through leading by example with her sensational work ethic, she's an absolute asset. She will be joined by Holly McConnon who's sensational change of direction and defensive efforts will no doubt see her improve even more this season. Jess Byers will again be looking to provide exhilarating speed off the line with her strength and touch on the ball and will also be an exciting option in goals.

Kate Tomkinson joins the club after filling in for the team a few times last season – she has exceptional hands and her ability to hold, move and shoot with deadly accuracy will demand defensive attention. Emma Clark will hopefully rejoin midway through the season and has shown over the past few years through amazing leadership she is the heart and soul of the team.

The ever exciting Renee Eiszele rounds out the team and her ability to baffle in goals and glide through the centre court with her exceptional timing and game smarts make her an invaluable member of the team.

We are really excited for what 2024 holds and look forward to continuing to build the positive culture we have been developing over the past few seasons.

Season Preview – 19&U

The Kingston Blues 19U team is looking forward to another exciting year. Our 2024 team is being led by Head Coach Caroline Direen who will be joined this year by Assistant Coach Mia Bourke. Both coaches are looking forward to working closely with this young talented group.

With most of the 19's of 2023 either moving into the Opens space or heading away interstate, this new playing group will be a young enthusiastic side ready to take on the challenge. We see two returning players in Abbey Glover and Yvette Ambrose, and they will be joined by Bella Turner, Charlotte Grubb, Divinia Mills, Holly Haas, Lola Alexander, Mackenzie Graves and Mia Sullivan, who have all been elevated from our training partner pool of 2023 and the team is rounded out with, Ruby Lane from Cripps, Alyssa Mayne from Palena and Maddi Clark from our 17U Division 1 premiership team of 2023.

This group have been working extremely hard through preseason on their strength and conditioning and court work along with building strong relationships both on and off the court. They are looking forward to taking to the court this season and showing the growth they have made individually and as a team, and we as a club are looking forward to watching them.

Team Ins: Bella Turner, Charlotte Grubb, Divinia Mills, Holly Haas, Mackenzie Graves, Mia Sullivan, Ruby Lane, Alyssa Mayne, Maddie Clark, Lola Alexander

Team Outs: Hannah Brereton, Keely Brereton, Sophie Cassidy, Molly Cordwell, Olivia Cummins, Drew Dennis, Anita Eberstien, Millie McMahon, Jo Thompson

Season Preview – OPEN

The 2024 season sees a change and new beginnings for the Kingston Opens team. After a break from TNL Tania McNear joins the club as Head Coach and with fresh eyes on players and combinations, believes we have put together the strongest team possible to be competitive for a top 4 finish this year. Joining her on the Opens Staff is Justin Direen who is returning for another year as Assistant Coach, Clarissa Murphy as Team Manager and Nic Cannell as Team Physio.

The team this year has a balance of youth, experience and knowledge as well as options to give us depth to match other teams. We welcome 'home' Ash Turner, Jess Earney and Courtney Walker back to the Blues and have elevated Hannah Brereton and Millie McMahon from the 19's.

A strong and dynamic combination through the mid court sees the return of Lucy Street with her strength, ability to apply pressure and commitment to the ball, Tess Cooper brings speed and strength as a defensive player through the court, Lucy Bosker with her patience and control balances out the mid court, whilst Courtney Walker and Millie McMahon have the vision and drive to create an impact whenever they take the court.

With Ash Turner and Jess Earney joining the talented shooting line up, they bring with them their wealth of knowledge and experience in ANC and compliment the calmness and skill of Nicole Hunt.

At the other end we have a dynamic defensive trio as Zanna Jodlowska and Emma Johns return with Hannah Brereton to dominate the circle and hunt for intercepts from the opposing teams.

Focusing on building a team both on and off the court, players have supported each other through their pre-season, making strong connections to take into their season. The work has been done, now we are keen to take the court and leave nothing behind in 2024.

Team Ins: Ash Turner, Jess Earney, Courtney Walker, Hannah Brereton, Millie McMahon

Team Outs: Jane Richards, Brielle Gordon

Season Preview – 19&U

Our 19 under team are very keen to continue the momentum they finished with in season 2023.

Building on solid form and connection are our circle defenders from 2023, Laura Scott, Emily Cooper, and Tayla Sheen. These defenders have been going from strength to strength in preseason and will make them tenacious and aggressive opposition.

Returning to the goal circle is Amity Jakubiszyn - this year you will see her play more of a GA roll, which will highlight her versatility and strength. Joining Amity in goals are new inclusions to the team, Ebony McGinniss and Jess Weeding. Ebony's height and accuracy and Jess's excellent timing makes this goalie group one to watch for 2024.

Holly Thomas and Rianna Scott are back controlling the mid court with the addition of Lily McConnon. These players are good at quickly transitioning from attack to defence, and their strong drives through the court will create a nice flow and opportunities for more gains. The centre court will also have Jess Weeding play WA allowing for more rotations and extra defensive pressure. Coaches Marsha and Bella are excited to see how far the team's skills and connections will take them this season.

Team Ins: Lily McConnon, Ebony McGinniss, Jess Weeding

Team Outs: Matilda Kaye, Ella Booth, Maya Stubbs, Paige Carr, Tayah Clifford

Season Preview – OPEN

The Suns Opens team for 2024 sees the return of powerhouse defenders and team leaders, Alanna Cooper and Maddi Hay. The experience and strong leadership of these two will be the driver of the teams' goals and achievements for the year. Rounding out the defence trio is the addition of Mackenzie Queen, an enthusiastic player who knows how to hustle - expect to see many screaming intercepts from this force to be reckoned with trio, who will bring plenty of spark to the court.

We start our goalers off with the elevation of Ella Booth from our 2023 U19s team. Ella will bring a silky style of game play to the court that will highly compliment her teammates. Joining Ella in the goal circle will be highly sought after Mady Dove, who will bring pace and experience to the front line, as well as two exciting names returning to the TNL, Gemma Polley and Adelle Salter. All of whom build up this team with their netball experience and game smarts and we are very excited to see the connections that they have formed.

You will also see Adelle cross the transverse line to the centre court to work with speedy pickups, Karli Wilton and Cat Thomson. Karli and Cat are both still fresh to the TNL scene but are prepared to give it their all, which make them exciting players to watch.

A strong off season from this fresh 2024 combination has developed solid connections on and off the court, which head coach, Andrew Jackson is eager to continue to work with and develop on after a promising inaugural 2023 season.

Team Ins: Ella Booth, Mady Dove, Mackenzie Queen, Catriona Thompson, Karli Wilton, Gemma Polley, Adelle Salter

Team Outs: Jess Earney, Charlie Wheller, Lily Banks, Anna Gatehouse, Jordan Kath, Chelsea Whittaker, Sophie Tyrrell, Emma Wing
