SEASON PREVIEW

NINETEENS

Cavaliers 19&U team for 2025 will certainly be looking to continue the success they had last season. With a balanced mix of seasoned players and newcomers eager to make an impact, this Cavs 19's team is poised to hit the ground running and create a competitive, dynamic atmosphere right from the start.

With Dannie Carstens and Dan Roden returning to the Cavs coaching fold, the team gains invaluable expertise and leadership, as both coaches bring a wealth of tactical knowledge and a proven track record of success. Hayley Bowen's continued role as assistant coach ensures a strong support system, as her understanding of the players and the game will help foster growth and cohesion across the team. Together, this experienced coaching trio will not only guide the team tactically but will also inspire confidence, setting a foundation for consistent performance and success throughout the season.

After being elevated into the team halfway through the 2024 season Mollie Poulton will be looking to start the season just as strongly as she finished and continue to build the connection with Mia Green. These two returning athletes will be joined by past CDA athletes Zoe Colgrave and Amaya Summers who with their combined skills, along with their strong work ethic, will undoubtedly add depth and intensity to the team's overall performance. Ruby Jones, also a previous CDA athlete, will join the midcourt unit along with returning players Lucy McArthur, Ava Jones and Asha Lowe who bring with them a wealth of experience and strong competitive drive that will undoubtedly lift the team's performance this season. Returning premiership defenders Grace Foley and Hallie Schuurin will look to continue to build their connection within the circle whilst also taking former CDA athlete Ashtyn Thorn under their wing to help her transition seamlessly into the defensive unit.

The seven returning athletes, with their familiarity and experience, alongside the four new faces bringing fresh energy and talent, will be focused on settling into the season quickly. Their goal will be to build strong on-court chemistry early, refine individual roles, and gel as a cohesive unit, all while adapting to the challenges and demands of season 2025.

Team Ins: Zoe Colgrave, Ashtyn Thorn, Amaya Summers, Ruby Jones, Macey Dwyer, Aya Cottam

Team Outs: Grace Ebbelaar, Molly Green, Ella McArthur, Sophie Brewer, Asha Lowe

OPEN

The F45 Cavaliers Opens finished off their 2024 season as Runner Up in the Grand Final to Hawks. This season the athletes and coaching staff are keen to turn the tables and go one better.

The coaching team looks a little different this season with Katie O'Neill returning as Head Coach while being supported by Shelby Miller, taking on a playing Assistant Coaching role. Miller, a leader in Netball Tasmania, will play her 11th consecutive year at Opens level. We also welcome Lynda Colgrave as a Mentor Coach. A great mix of experience, passion and playing experience.

Returning players in the goal circle Hayley McDougall and Sophie Blackberry will be joined by 19&U Cavaliers athlete Sophie Brewer who will be looking to make her mark in the Opens space. This shooting group has the makings of a very formidable unit.

In the midcourt we see returning players Shelby Miller, Liv Harman and Shannae Heazlewood. All three athletes will bring their experience and strong work ethic to this part of the court. Ella McArthur has been promoted from the 19&Us and will bring an extra dynamic to this group.

Dea Wadley returns from a serious knee injury that she sustained in the 2023 season, bringing a strong presence into the attacking midcourt. Her speed and change of pace will be a point of difference.

Rounding out the defensive end will be young gun Paige O'Neill who had a remarkable 2024 season in her Opens debut alongside fellow State defender, Lily Case. Grace Ebbelaar, another athlete promoted from the 19&U team will be the youngest of the team, but certainly not one to be underestimated. She brings height, athleticism and a great ability to read the ball and create turnovers in high pressure situations. This season's defensive unit is very young, dynamic and will no doubt be exciting to watch.

Team Ins: Deanna Wadley, Sophie Brewer, Ella McArthur, Grace Ebbelaar

Team Outs: Matilda Allen, Zoe Claridge, Keely Atkinson

SEASON PREVIEW

NINETEENS

Cripps will embark on 2025 with a crew of young athletic new talent coming up from the club's junior ranks.

With players moving up to Opens or away for studies and new life adventures, only two players will remain from our 2024 Grand Final Team – Alice Bowering and Alet Le Grange. These two will Co-Captain our young developing side and play vital roles on court directing and supporting our group.

Alice will be joined in the goal circle by Ruby Clark and Annabelle Gatehouse who both bring valuable height and accurate finishing, and youngster Paige Nowland who will inject speed and creativity to the attacking end. Chloe Richards, Holly Richardson, Ruby Kaye & Ivy Bresnehan will bring a variety of options and lots of spark to the mid court and we are excited to see what they can bring in combination with our young goalies.

Alet will hold down the defence end with Abbie Fooks and Lily Richards where their athleticism and ability to impact contests will be vital for the team.

This group certainly has the potential to shine and it will be exciting to watch their progress as they work to build strong connections on and off the court and develop as a team unit at the next level.

Team Ins: Ruby Clark, Anabelle Gatehouse, Paige Nowland, Chloe Richards, Holly Richardson, Ruby Kaye, Ivy Bresnehan, Abbie Fooks & Lily Richards

Team Outs: Daisy Bennett, Matilda Franklin, Matilda Kaye, Mia Anderson, Maya Armstrong, Tash Furjanic, Abbey Geappen, Lucy Booth, Belle Zielinski

OPEN

Cripps will have a new look in 2025 with 5 new players entering the team.

Abbey Geappen, Matilda Kaye and Matilda Franklin will all make the step up from 19&U, Rubi Healey joins the Club after some time away from TNL having previously played in Launceston, and Alannah Richards joins the team after playing First Grade in 2024.

The team will be one of the youngest Open teams fielded by the Club in some time with the team comprised of 2/3 of athletes under the age of 21; and no one over the age of 25.

The group is looking forward to a fresh start, and beginning to form a new identity and style, making full use of the depth in the Club and the regular promotion of athletes from the 19&U TNL program.

The longer season will hopefully be put to good use, providing more time for partnerships to develop on court and to explore the new lineups at our disposal.

OPEN

The 2025 Karana Opens team sees a mix of returning players from 2024, with the addition of new players. Previous Karana U19 players Mackenzie Stone and Madi Lamb will join us with a touch of excitement in the defence and centre court. Alyssa Mustchin and Mollie Dwyer add another dynamic to our defence and goalie ends, and we are looking forward to seeing their return to the sport.

Our defensive unit consists of our 2024 Opens Best & Fairest, Mackenzie Banks whose strength and talent will be well supported by 2024 U19 co-captain and Best & Fairest Mackenzie Stone. We look forward to what returning player Alyssa Mustchin can bring to this unit. The defence end's ability to read the play, their speed, athleticism, and strong skills, will be one to watch in 2025.

In the centre court we are excited to continue the development of our talented returning players, Jess Byers, Asha Ratcliffe, Holly McConnon, and Chelsea Browning. This consistently powerful unit will be accompanied by 2024 U19 co-captain Madi Lamb. Jess, Holly, and Asha's experience in attacking and feeding into our goalies, will be dangerous for defenders, with Chelsea and Madi's defensive pressure complimenting, and rounding up our centre court.

Our goalies this year bring us depth with strength, movement and accuracy in Emma Clark, Kate Tomkinson and Mollie Dwyer. Each goalie has amazing execution of skills and we are confident they will make strong connections and combinations throughout the season.

Alongside their own TNL season, we are excited for the team to promote and support our junior players. Our players and coaches will mentor, role model, and develop relationships with our Junior members of the Karana Netball Club. Through these relationships, we hope to inspire the next generation of Flames State League players. As coaches, Rick and Tanya will support these players to be strong and confident young women, committed to excellence, where the skills and values we uphold are transferred into all aspects of our sport and life.

OPEN

There is a change in the Blues coaching camp for season 2025. Tania McNear stays on as Head coach but joining her as Co-Assistant coaches this year are John Fox and Alicia Leis. All 3 coaches are dedicated and passionate about building on the team's success from the 2024 season. Returning to the Opens officials is Clarissa Murphy as team manager and Nic Cannell as team Physio.

The team welcomes Chloe Litherland to the mid court line up and Emily Handley to the defence unit. Brielle Gordon also returns to the side after a year away from TNL. Our defenders will work seamlessly together, apply pressure and force turnovers. Their commitment to maintaining a strong defensive structure will make them a formidable opponent on the court. Emma Johns' communication and reading the play to go hunting compliments the physicality out the front from Emily Handley and sharp reflexes and intercepts from Brielle Gordon.

At the other end of the court Nicole Hunt has an ability to read the game and position herself effectively in the shooting circle, she has a calm demeanour in the circle to help convert those crucial goals when it counts. Jess Earney brings experience from her ANC days and a more physical style to her shooting, using the circle to her advantage.

In our mid-court Lucy Street demonstrates excellent vision and decision-making, often setting up scoring opportunities with her accurate passes and strategic plays. Lucy Bosker and Tess Coopers stamina and agility allow them to maintain a high level of performance throughout the game, making them a crucial link between the defensive and attacking units. Bringing in the speed, agility and experience of Chloe Litherland with her incredible work rate and calm presence, our mid court is strong, cohesive and ready to put in dynamic performance in 2025.

The positive culture within the team continues from last season and is truly inspiring. This strong sense of camaraderie and mutual respect will translate into their performance on the court. With a top 3 finish last season the Blues girls are keen to go one better in 2025.

SEASON PREVIEW

NINETEENS

Season 2025 marks an exciting chapter for Bendigo Bank South East Suns with a very young team taking the court including seven debutants ready to make their mark. In this seven are three home grown talents, Milly Hassett, Shakoda Oswin and Zoey Carr. We can't wait to see these players, along with the rest of the team, showcase their talents and perform on the big stage this season. Returning player Emily Cooper steps into a refreshed defensive circle this season, bolstered by the recruitment of Frankie Tsakirakis and Courtney Brown. Frankie's physical presence and Courtney's athleticism will perfectly complement Emily's experience, creating a formidable defensive unit. Our mid court welcomes back the highly experienced Jess Wedding, whose calming presence will guide the dynamic trio of Milly Hassett, Shakoda Oswin and Maddie Linnell, all bringing speed and energy to the game. Our goal circle is towering this season, with all three goalies standing over 180cm. We're excited to see Alyssa Mayne, Zoey Carr and Amber Brown form a dynamic unit and deliver plenty of goals on the scoreboard. After an intense and active preseason, the team is ready to shine in every game and present plenty of challenges for our opposition.

OPEN

We have been fortunate to keep the core of our 2024 team with the inclusion of three talented players so consistency and climbing the ladder are the key focuses for the Opens team this season.

Holly Thomas has joined our mid-court after a couple of impressive seasons in our 19 under team. Unfortunately, we've suffered a significant loss with Karli Wilton's ACL injury. However, this has opened the door for Mackenzie Queen to step up and make her mark in the centre position.

Our defensive end has been strengthened by the addition of South Australian Emilia Kerr, who brings experience from the South Australian Premier League and the Leeds Rhinos Performance League. Alongside season performers Maddi Hay and Alanna Cooper, our defensive circle is set to pose a serious challenge to opposition goalies this season.

We're thrilled to have recruited the talented Aimee Bean, adding extra pace and skill to our goal circle. This gives coaches Jacko and Mia the flexibility to experiment with different combinations on the court, supported by the strong presence of Adelle Salter, Ella Booth and Gemma Polley anchoring the goal circle.
